INTENSIVE OUTPATIENT PROGRAM

Addiction Treatment Center

Located in Santa Cruz

The Key

Our intensive outpatient program (IOP) offers a tailored 8 week treatment plan that is curated to your specific needs. You will receive both individual and group counseling as well as have an option for detox and family therapy.

If you or your loved one is ready to find The Key to your success in sobriety, call us at 831.484.4191.

We Specialize in Treating:

- First Responders
- Medical Professionals
- Lawyers
- Military Personnel
- Teachers
- Business Owners
- Students

Detox

With a focus on ensuring a safe and comfortable experience, our expert team can promote a smooth detoxification process using medication and IV fluid hydration. Our aim is to help individuals regain their physical well-being quickly, allowing them to feel better prepared for the next step in their recovery journey.

Founder

Dr. Bobby Singh

- Stanford Addiction Medicine Graduate
- ABIM Board Certified, Internal Medicine
- ABPM Board Certified, Addiction Medicine
